You can share how many staff you have, or if you already have a plan in place, etc.

The CRTC's Regulations define employee as follows:

employee means a person employed by a regulated entity referred to in paragraph 7(1)(e) or (f) of the [Accessible Canada] Act and includes a dependent contractor, as defined in subsection 3(1) of the Canada Labour Code, but does not include

- (a) a person employed under a program designated by the employer as a student employment program; and
- (b) a student employed solely during their vacation periods. (employé)
