

1	Legal name	
2	Who controls the licensee and by what means?	
3	Are there any holding entities in the ownership structure and/or control chain of the licensee?	
4	Has there been a change in the effective control of any entity (licensee or holding) during the broadcast year?	
5	Is the licensee a not-for-profit corporation?	
6	Is the licensee a for-profit corporation wholly owned by individuals?	
7	Have there been changes to the composition of the board of directors during the broadcast year?	
8	Is there a shareholders' agreement in place? If yes, please provide a copy only if not currently on Commissions records.	
9	Are there any other agreements (programming, local management, technical services, management,  trademark, etc.) in place? If yes, please provide a description of these agreements:	

This is the legal name of your Non-Profit Corporation or Society Should be in your bylaws, "members, volutneers, students as per bylaws" as an example

This should be a no

Unless your corporation has changed this last year, no Should be Yes (Unless Indigenous Station, may be different)

Not relevant unless Co-op or Indigenous Station

If you have not changed your bylaws related to compositionthis year, then no

This should be a no

CRTC would like to see what types of policy you have in place, feel free to share as much information as you wish, you do not need to include the policy just listing is helpful

Please use the space provided below to supply any comments, explanations, methodological notes, qualifiers or other

only if you want
